You will be evaluated by a trained and licensed provider. We wish to take this opportunity to welcome you and also to state some basic principles we believe essential in establishing a good relationship between us. Please read through this information, asking questions as needed.

1. INITIAL INTERVIEW: Your first history and physical is considered an evaluation interview and exam. At the time of this appointment, the following decisions will be made with you:
   a) If hydration therapy is an appropriate treatment option
   b) Frequency of hydration therapy sessions
   c) Goals of therapy (what you hope to gain from this process.)

2. APPOINTMENTS: Each appointment varies in length depending on your chief complaint. Typically, hydration infusions last 30-60 minutes, but you should plan on being in the office for 60-90 minutes, or longer. At the end of each appointment you can make arrangement for your next appointment or you may also book all your prescribed appointments at once.

3. CANCELLATIONS: If you find that you need to cancel an appointment, please give as much notice as possible so that we can schedule people that are on our waiting list. You will be personally charged for your appointment if not canceled at least 24 hours in advance other than for emergency reasons.

4. PAYMENTS: We would greatly appreciate payment in full for each office visit prior to the start of your appointment. If you do not have a credit card, we will accept cash and check. Please make checks payable to "**Invictus Clinic**".

5. CONFIDENTIALITY: All information regarding the specific nature of your treatment is maintained at Invictus Clinic, LLC and is considered confidential within the office unless specified by you in writing. However, each provider at this office reserves the right to use specialty consultation with other medical providers at the office as deemed necessary. We follow HIPAA and maintain confidentiality.
